- The Court advises the Parties that there is a mandatory instruction for the parties to participate in good faith mediation.
- The Court consolidates the above cases for purposes of trial w/o prejudice to any claim that the Beasleys are entitled to separate statutory damages. The Court finds that the trial date previously scheduled in 1:12cv01312 for **04/09/2013** is sufficient to allow both cases to proceed at that time. The Discovery deadlines for both cases will be consolidated.
- The Court will allow the Pltfs an opportunity to designate an expert as to Mr. Beasley's health and will allow the Deft to depose the expert as well as Mr. Beasley.
- Parties can take up any pretrial related matters w/ the Magistrate Judge by filing an appropriate motion.
